- Check in with the outline you made before drafting. Update what may have changed, been lost, or been added during drafting. (if you didn't make an outline, do it now!)
 - What does each scene or chapter accomplish? If it's not adding anything, figure out ways to make it worthwhile or scrap it.
 - What scenes/chapters need to be added to make your plot or characters more fully formed?
- Re-outline (add to your notecards/document) or fill out a revision outlining worksheet for each chapter/scene.
